### Children at the Bay Horse:

We have a simple children's menu featuring smaller portions of a selection of our menu dishes. These can be simplified and added to as required. Your little one is also welcome to a small plate so they can have a taste of what everyone else is eating, if that is your preference.

### Dietary requirements:

Most of our dishes can be amended if they aren't already suitable- please ask. If you suffer from severe allergies, please let us know as our kitchen does handle all of the main allergens and whilst we endeavor to reduce the chances of cross-contamination, we cannot absolutely guarantee it

### Dogs at the Bay Horse

Dogs are very welcome in the bar area and outside in our generous gardens. We keep the dining room pet free.
